Comparison of two AI suppliers in your own work · What to note?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Save the model version, settings, inputs, time and the score of each output.

Record and working document

Evaluate whether the results are reproducible for exceptions and the Croatian language.

If tools provide different answers without sources, use verification of the actual document as a benchmark.

Working example · A comparison of two AI providers in your own work

Evaluate whether the results are reproducible for exceptions and the Croatian language.

Specific next steps

1. Evaluate whether the results are reproducible for exceptions and the Croatian language.
2. If tools provide different answers without sources, use verification of the actual document as a benchmark.
3. Make your decision based on quality, privacy, price, export and support.

Limits of application

For the EDIH services available at the local centre and programme.
