Adding keywords to a large directory · What should be noted?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Keep the item's original label, the new label and the processing date.

Record and working document

On the sample, test whether the tool recognises material variants and linguistic synonyms.

If categories from outside the code list are recommended, separate those rows before importing.

Working example · Adding keywords to a large catalogue

On the sample, test whether the tool recognises material variants and linguistic synonyms.

Specific next steps

1. On the sample, test whether the tool recognises material variants and linguistic synonyms.
2. If categories from outside the code list are recommended, separate those rows before importing.
3. First, put a small number of inspected items up for sale.

Limits of application
