Adding keywords to a large directory · How to go about it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Specify the permitted categories and look for an exit in the pre-defined structure.

A starting point in practice

Keep the item's original label, the new label and the processing date.

On the sample, test whether the tool recognises material variants and linguistic synonyms.

Working example · Adding keywords to a large catalogue

On the sample, test whether the tool recognises material variants and linguistic synonyms.

Specific next steps

1. Keep the item's original label, the new label and the processing date.
2. On the sample, test whether the tool recognises material variants and linguistic synonyms.
3. First, put a small number of inspected items up for sale.

Limits of application

Apply the guideline to your documents and working methods.
