Data usage settings in the AI account · What to note?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Save the review date and a summary of the approved conditions without personal data.

Record and working document

Compare whether the team's settings are aligned with internal policies.

If the processing of the input data is not clear enough, stop entering the actual documents until you have clarified it.

Working example · Data usage settings in the AI account

Compare whether the team's settings are aligned with internal policies.

Specific next steps

1. Compare whether the team's settings are aligned with internal policies.
2. If the processing of the input data is not clear enough, stop entering the actual documents until you have clarified it.
3. Separate the trial accounts for public examples and the approved business environment.

Limits of application

Apply the guideline to your documents and working methods.
