Data usage settings in the AI account · How to check this with an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare whether the team's settings are aligned with internal policies.

Checking by example

Check each provider's terms, account type and configuration separately for each user.

Save the review date and a summary of the approved conditions without personal data.

Working example · Data usage settings in the AI account

Save the review date and a summary of the approved conditions without personal data. If the processing of the input data is not sufficiently clear, stop entering the actual documents until you clarify it.

Specific next steps

1. Check each provider's terms, account type and configuration separately for each user.
2. Save the review date and a summary of the approved conditions without personal data.
3. If the processing of the input data is not clear enough, stop entering the actual documents until you have clarified it.

Limits of application

Apply the guideline to your documents and working methods.
