AI business proposal draft · How to check it using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check whether the draft has added a non-existent warranty, deadline or contractual obligation.

Checking by example

Enter the approved delivery components and public service information into the tool.

Keep the actual price list, scope, dates and the person who approved the quote.

Working example · AI draft business proposal

Keep the actual price list, scope, dates and the person who approved the quote. If the model invents details, restrict them to mandatory fields and allow a blank response.

Specific next steps

1. Enter the approved delivery components and public service information into the tool.
2. Keep the actual price list, scope, dates and the person who approved the quote.
3. If the model invents details, restrict it to mandatory fields and allow an empty response.

Limits of application

Apply the guideline to your documents and working methods.
