Changing the model without loss of quality · What to note?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Save the audit trails for key processes and the date the settings were changed.

Record and working document

Check the format, the quality of the Croatian language, the extracts and the cost for the same inputs.

When an important check fails, revert to the previous setting until you determine the cause.

Working example · Changing the model without loss of quality

Check the format, the quality of the Croatian language, the extracts and the cost for the same inputs.

Specific next steps

1. Check the format, the quality of the Croatian language, the extracts and the cost for the same inputs.
2. When an important check fails, revert to the previous setting until you determine the cause.
3. Record the repeatable upgrade procedure and the person responsible.

Limits of application

For the EDIH services available at the local centre and programme.
