Changing the model without loss of quality · How to approach it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Before the replacement, record the previous configuration and the basic set of tests.

A starting point in practice

Save the audit trails for key processes and the date the settings were changed.

Check the format, the quality of the Croatian language, the extracts and the cost for the same inputs.

Working example · Changing the model without loss of quality

Check the format, the quality of the Croatian language, the extracts and the cost for the same inputs.

Specific next steps

1. Save the audit trails for key processes and the date the settings were changed.
2. Check the format, the quality of the Croatian language, the extracts and the cost for the same inputs.
3. Record the repeatable upgrade procedure and the person responsible.

Limits of application

For the EDIH services available at the local centre and programme.
