Advance payment and final settlement for the same project · How to integrate the procedure into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Align the project template with the accountant for advances, progress invoices and final settlement.

Regular application

Maintain the link between the advance payment, the corresponding document and the final invoice.

In the sample example, check that the same amount is not counted as double income.

Working example · Advance payment and final settlement for the same project

In the sample example, check that the same amount is not counted as double income.

Specific next steps

1. Maintain the link between the advance payment, the corresponding document and the final invoice.
2. In the sample example, check that the same amount is not counted as double income.
3. If the final balance differs, check how the adjustment is displayed in your system.

Limits of application

For the covered obligors and the appropriate type of account.
