The difference between registration and the first day of operation · How to introduce the procedure into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Align the date in the work plan, orders and tax records.

Regular application

Record the dates from the decision and the documents concerning the fulfilment of the special conditions.

Before making your first offer, check the status in the relevant register.

Working example · The difference between registration and the first day of work

Before making your first offer, check the status in the relevant register.

Specific next steps

1. Record the dates from the decision and the documents concerning the fulfilment of the special conditions.
2. Before making your first offer, check the status in the relevant register.
3. If the planned date is moved, check whether any changes are needed before work begins.

Limits of application

For procedures covered by the START system.
