The difference between registration and the first day of work · How to check this in practice?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Before making your first offer, check the status in the relevant register.

Checking by example

Distinguish between the enrolment date, the reported start date and the actual commencement of deliveries.

Record the dates from the decision and the documents concerning the fulfilment of the special conditions.

Working example · The difference between registration and the first day of work

Record the dates from the decision and the documents relating to the fulfilment of the special conditions. If the planned date is postponed, check whether an amendment is required before work commences.

Specific next steps

1. Distinguish between the enrolment date, the reported start date and the actual commencement of deliveries.

2. Record the dates from the decision and the documents concerning the fulfilment of the special conditions.

3. If the planned date is moved, check whether any changes are needed before work begins.

Limits of application

For procedures covered by the START system.
