Backup supplier for a critical deadline · What to note?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Keep the technical specification, replacement conditions and the agreed deadline.

Record and working document

Check whether the replacement meets the quality and purpose agreed with the customer.

When the composition or origin is part of the conditions, obtain approval before making any changes.

Working example · Alternative supplier for a critical deadline

Check whether the replacement meets the quality and purpose agreed with the customer.

Specific next steps

1. Check whether the replacement meets the quality and purpose agreed with the customer.
2. When the composition or origin is part of the conditions, obtain approval before making any changes.
3. Introduce a rule for when to switch to the backup procurement channel.

Limits of application

Apply the guideline to your documents and working methods.
