Backup supplier for a critical deadline · How to integrate the procedure into routine operations?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Introduce a rule for when to switch to the backup procurement channel.

Regular application

Keep the technical specification, replacement conditions and the agreed deadline.

Check whether the replacement meets the quality and purpose agreed with the customer.

Working example · Alternative supplier for a critical deadline

Check whether the replacement meets the quality and purpose agreed with the customer.

Specific next steps

1. Keep the technical specification, replacement conditions and the agreed deadline.
2. Check whether the replacement meets the quality and purpose agreed with the customer.
3. When the composition or origin is part of the conditions, obtain approval before making any changes.

Limits of application

Apply the guideline to your documents and working methods.
