Testing the receipt of the first structured e-Invoice · How to access?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Arrange a trial account with your partner, specifying a concrete item and known identifiers.

A starting point in practice

Save the original file, the exchange status and the link to the business obligation.

Compare amounts, tax items and identifiers when importing into the accounting system.

Working example · Trial receipt of the first structured eInvoice

Compare amounts, tax items and identifiers when importing into the accounting system.

Specific next steps

1. Save the original file, the exchange status and the link to the business obligation.
2. Compare amounts, tax items and identifiers when importing into the accounting system.
3. Arrange who will check the received statuses each working day.

Limits of application

For the covered obligors and the appropriate type of account.
