External EU collaborator on a joint project · How to apply?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Arrange specific deliveries, access control and the method for correcting the results.

A starting point in practice

Keep the contract, the handover document, the invoice and the record of authorised access.

Check the actual employment relationship, the tax treatment of the service and the processing of personal data.

Working example · External collaborator from the EU on a joint project

Check the actual employment relationship, the tax treatment of the service and the processing of personal data.

Specific next steps

1. Keep the contract, the handover document, the invoice and the record of authorised access.
2. Check the actual employment relationship, the tax treatment of the service and the processing of personal data.
3. At the end, revoke access and establish ownership of the final materials.

Limits of application

For cross-border transactions, including status checks and special rules.
