Statistical Submission and Public Release of GFIs · How to Approach It?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

In the calendar, create two separate tasks and check the relevant documentation.

A starting point in practice

For each package, record the purpose, period, channel and proof of delivery.

Ensure that a certificate for one purpose has not been used as evidence for another.

Working example · Statistical submission and public release of GFI

Ensure that a certificate for one purpose has not been used as evidence for another.

Specific next steps

1. For each package, record the purpose, period, channel and proof of delivery.
2. Ensure that a certificate for one purpose has not been used as evidence for another.
3. Prepare a brief matrix of contributions and approvals for each purpose.

Limits of application

By type of taxpayer, purpose of submission and reporting period.
