Statistical Submission and Public Release of GFIs · How to verify this using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Ensure that a certificate for one purpose has not been used as evidence for another.

Checking by example

In the calendar, create two separate tasks and check the relevant documentation.

For each package, record the purpose, period, channel and proof of delivery.

Working example · Statistical submission and public release of GFI

For each package, record the purpose, period, channel and proof of delivery. If the scope is unclear, compare the current Fina guide with the accountant.

Specific next steps

1. In the calendar, create two separate tasks and check the relevant documentation.
2. For each package, record the purpose, period, channel and proof of delivery.
3. When the scope is unclear, compare the current Fina guide with the accountant.

Limits of application

By type of taxpayer, purpose of submission and reporting period.
