Applicability: According to the profile and circumstances of the described case.

Keep the submission confirmation and the time of the first public review.

Record and working document

Search for the relevant OIB, year and record type in the public register.

If the display is missing, clarify the submission status before resending.

Working example · Verifying the report publication after submission

Search for the relevant OIB, year and record type in the public register.

Specific next steps

1. Search for the relevant OIB, year and record type in the public register.
2. If the display is missing, clarify the submission status before resending.
3. Keep the official confirmation separate from the recording of the public screening.

Limits of application

By type of taxpayer, purpose of submission and reporting period.
