Platform registration number after enrolment in JEER · How to access?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Verified by an official source · Reviewed: 2026-11-22

Applicability: For the registration of platforms and aggregators in the JEER system.

The Ministry of Labour states that after successful registration in JEER, the digital work platform is assigned a registration number.

A starting point in practice

Before verification, collect the entity's official name and the identifier available to you.

Check who the number refers to. The platform and its intermediary are not the same entity.

Working example · Platform registration number after enrolment in JEER

The application and the contract display different trade names. The courier requests the official name and registration details for the entity with which it intends to work.

Specific next steps

1. Before verification, collect the entity's official name and the identifier available to you.
2. Check who the number refers to. The platform and its intermediary are not the same entity.
3. Save the date and the verification result before commencing the collaboration.

Limits of application

For the registration of platforms and aggregators in the JEER system.
