Can an employer be a platform or an aggregator? How can this be checked using an example?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare the contractual party with the billing and actual mode of operation.

Checking by example

The Ministry of Labour states that the employer in a platform working relationship can be the digital work platform itself or an aggregator acting as its intermediary.

Save the contract with the employer's full name and contact details.

Working example · Can an employer be a platform or an aggregator?

The courier uses an app from one brand and signs a contract with an aggregator. For payment, time recording and complaints, they first verify the employer's details from the contract.

Specific next steps

1. The Ministry of Labour states that the employer in a platform working relationship can be the digital work platform itself or an aggregator acting as its intermediary.
2. Save the contract with the employer's full name and contact details.
3. If the identity cannot be established from the application, request written confirmation.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
