KPD for a combined offering of goods and services · How to approach it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Break down the offer into what you actually deliver before requesting tags.

A starting point in practice

Keep a register of labels with the item, description and date of inspection.

Check whether the labels are associated with the individual item in the test account.

Working example · KPD for a combined offer of goods and services

Check whether the labels are associated with the individual item in the test account.

Specific next steps

1. Keep a register of labels with the item, description and date of inspection.
2. Check whether the labels are associated with the individual item in the test account.
3. Update the code list and arrange authorisation for the new labels.

Limits of application

For the covered obligors and the appropriate type of account.
