Check whether the labels are associated with the individual item in the test account.

Working example · KPD for a combined offer of goods and services

Check whether the labels are associated with the individual item in the test account.

Specific next steps

1. Keep a register of labels with the item, description and date of inspection.
2. Check whether the labels are associated with the individual item in the test account.
3. When the delivery description is ambiguous, seek the DZS's opinion without speculation.

Limits of application

For the covered obligors and the appropriate type of account.
