Paying for a long project in phases · How to check this using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check whether you can determine from the description when the obligation for a second payment arises.

Checking by example

Tie payments to measurable milestones and clear proof of delivery.

For each phase, prepare the scope, price, delivery condition and email confirmation.

Working example · Payment for a long project in phases

For each phase, record the scope, price, delivery condition and email confirmation. If a phase is delayed due to a client decision, establish a new schedule together before proceeding.

Specific next steps

1. Tie payments to measurable milestones and clear proof of delivery.
2. For each phase, prepare the scope, price, delivery condition and email confirmation.
3. If the phase is delayed due to the client's decision, establish a new schedule together before proceeding.

Limits of application

Apply the guideline to your documents and working methods.
