Displaying the service's starting price on the destination page · What to do when the process gets stuck?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

For the rules on displaying prices and consumer prices, check the applicable requirements.

When a plan meets an obstacle

Explain what is included in the base price and what factors affect the more expensive packages.

Save comparable versions of the page and data on converting enquiries into sales.

Working example · Displaying the service's starting price on the destination page

Check whether a customer can understand the actual price terms from the display.

Specific next steps

1. Explain what is included in the base price and what factors affect the more expensive packages.
2. Save comparable versions of the page and data on converting enquiries into sales.
3. Test the clear basic package based on the enquiries you often receive.

Limits of application

Apply the guideline to your documents and working methods.
