Price list for changing VAT status · How to apply?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Separate the contracted net price, the gross price for the customer and the future margin.

A starting point in practice

Save the old offers and the date from which the approved change applies.

Consider a scenario in which the gross price remains the same, but the net receipt changes.

Working example · Price list upon change of VAT status

Consider a scenario in which the gross price remains the same, but the net receipt changes.

Specific next steps

1. Save the old offers and the date from which the approved change applies.
2. Consider a scenario in which the gross price remains the same, but the net receipt changes.
3. Update the online shop, templates and till only once the date has been confirmed.

Limits of application

For cross-border transactions, including status checks and special rules.
