# Working alongside a permanent job or through multiple aggregators · How to integrate the process into regular operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

**Arrange a contingency schedule that allows enough time for rest.**

## Regular application

Keep separate schedules and store calculations by organisation.

Check for overlapping deadlines, breaks, permissions and obligations under each contract.

## Working example · Working alongside a permanent job or through multiple aggregators

Check for overlapping deadlines, breaks, permissions and obligations under each contract.

## Specific next steps

1. Keep separate schedules and store calculations by organisation.
2. Check for overlapping deadlines, breaks, permissions and obligations under each contract.
3. Before simultaneously signing up for two shifts, clarify the restrictions and responsibilities.

## Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
