Review of leave during a series of consecutive shifts · How to check this using an example?

For: Platform worker employed by a company

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Consider whether the holiday can be regarded as genuine if you had to be available during it.

Checking by example

Mark the end of one shift and the start of the next within the same time frame.

Keep actual changes to the schedule and notify of shift changes.

Working example · Holiday overview for a series of consecutive shifts

Keep actual amendments to the rota and shift change notifications. When you spot ongoing overlaps on the rota, document the week and request a review.

Specific next steps

1. Mark the end of one shift and the start of the next within the same time frame.
2. Keep actual changes to the schedule and notify of shift changes.
3. When you see persistent overlaps in the schedule, document the week and request verification.

Limits of application

For a Croatian employment relationship, in accordance with applicable regulations and the contract.
