Collection or return of the bag and other equipment · How to integrate the procedure into routine operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Keep a single record of the equipment from the first shift to the last.

Regular application

Photograph any existing damage and keep proof of collection or return.

Compare the devices, serial numbers and stated deductions with the signed handover document.

Working example · Downloading or retrieving a bag and other equipment

Compare the devices, serial numbers and stated deductions with the signed handover document.

Specific next steps

1. Photograph any existing damage and keep proof of collection or return.
2. Compare the devices, serial numbers and stated deductions with the signed handover document.
3. If compensation is requested, please verify the stated reason, the amount and the proof.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
