Drop in rating after a disputed delivery · How to check it using an example?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Separately, verify the factual error and the impact of the application rule on the score.

Checking by example

Keep the facts about the assignment and find the official way to clarify the grade.

Record the instructions, delivery time and any changes to the visible operating options.

Working example · Drop in rating after a disputed delivery

Record the instructions, delivery time and any changes to the visible operational options. Do not send unnecessary personal customer data to an open group or unofficial channel.

Specific next steps

1. Keep the facts about the assignment and find the official way to clarify the grade.
2. Record the instructions, delivery time and any changes to the visible operating options.
3. Do not send unnecessary personal customer data to an open group or an unofficial channel.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
