The cost of changing from an aggregator to your own business model · How to introduce the procedure into routine operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Plan the transition periods, existing obligations and the date of the first invoice.

Regular application

Keep the offers for both models and all assumptions about weekly payouts.

Compare the net disposable amount with the impact of losing several weeks' work.

Working example · The cost of changing from an aggregator to your own business model

Compare the net disposable amount with the impact of losing several weeks' work.

Specific next steps

1. Keep the offers for both models and all assumptions about weekly payouts.
2. Compare the net disposable amount with the impact of losing several weeks' work.
3. When the difference is small, first confirm the status and contractual terms before setting up the business.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
