Relocation to a second zone in the middle of the working day · What to note?

For: Platform worker employed by a company

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Keep the start location only to the necessary extent, along with the time and instructions for relocation.

Record and working document

Compare whether the journey to the second zone is included in the internal time records.

If any safety or organisational obstacles arise, report them to the person in charge.

Working example · Transfer to another zone in the middle of the working day

Compare whether the journey to the second zone is included in the internal time records.

Specific next steps

1. Compare whether the journey to the second zone is included in the internal time records.
2. If any safety or organisational obstacles arise, report them to the person in charge.
3. Agree clear zones, contacts and responsibilities for the relocation in advance.

Limits of application

For a Croatian employment relationship, in accordance with applicable regulations and the contract.
