Moving to another zone in the middle of the working day · How to check this using an example?

For: Platform worker employed by a company

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare whether the journey to the second zone is included in the internal time records.

Checking by example

Check who the instruction came from and whether there is an additional route or cost.

Keep the start location only to the necessary extent, along with the time and instructions for relocation.

Working example · Transfer to another zone in the middle of the working day

Keep the start location information only to the necessary extent, along with the time and instructions for relocation. If any security or organisational obstacles arise, report them to the person in charge.

Specific next steps

1. Check who the instruction came from and whether there is an additional route or cost.
2. Keep the start location only to the necessary extent, along with the time and instructions for relocation.
3. If any safety or organisational obstacles arise, report them to the person in charge.

Limits of application

For a Croatian employment relationship, in accordance with applicable regulations and the contract.
