Verifying the platform or aggregator in the records · What if the process gets stuck?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the names differ, ask for a clear explanation of who the employer or partner is.

When a plan meets an obstacle

Request the organisation's exact name and OIB, or confirmation of its identity.

Save the date, the verification result and the contract relating to the same entity.

Working example · Verification of the platform or aggregator in the records

Compare the data in the records with the invoice issuer and the payer.

Specific next steps

1. Request the organisation's exact name and OIB, or confirmation of its identity.
2. Save the date, the verification result and the contract relating to the same entity.
3. Check the status again when you change the aggregator.

Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
