# Transition from employment to a self-employed business · How to integrate the procedure into routine operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

**Before making a decision, calculate the net income, reserve and costs that you are now taking on.**

## Regular application

Save the end date of the first relationship and the start date of the new arrangement.

Compare the actual management of the business with the proposed legal form.

## Case study · Transition from employment to a self-employed business

Compare the actual management of the business with the proposed legal form.

## Specific next steps

1. Save the end date of the first relationship and the start date of the new arrangement.
2. Compare the actual management of the business with the proposed legal form.
3. If your daily commitments remain the same, check whether reality justifies changing your status.

## Limits of application

For platform work in Croatia, according to the contract and the actual working arrangements.
