Fault or damage to the vehicle during an active mission · How to integrate the procedure into routine operations?

For: Platformski radnik kod poslodavca · Platformski rad preko vlastitog obrta

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Update the cost and insurance terms before resuming work.

Regular application

Keep the task tag, the circumstances, the required photographs, and the service or police record.

Check whether the specific policy covers commercial use and that event.

Working example · Vehicle fault or damage during an active task

Check whether the specific policy covers commercial use and that event.

Specific next steps

1. Keep the task tag, the circumstances, the required photographs, and the service or police record.
2. Check whether the specific policy covers commercial use and that event.
3. If liability is disputed, seek written instructions before admitting any damage yourself.

Limits of application

Distinguish between the provisions of the Directive and the Croatian measures that transpose them.
