Small-scale digitalisation before a larger investment · What should be recorded?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Record the time spent on manual work, the cost of the pilot solution and the number of users.

Record and working document

Test the tool with one team and compare the results before and after.

If the problem remains the same, check the process before purchasing new software.

Working example · Small-scale digitalisation before a larger investment

Test the tool with one team and compare the results before and after.

Specific next steps

1. Test the tool with one team and compare the results before and after.
2. If the problem remains the same, check the process before purchasing new software.
3. Seek support from your local EDIH for a proof of concept.

Limits of application

Check the rules and call status for the application year.
