Business plan with and without support · What if the process stalls?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

If the call is closed, do not itemise the costs as if the new year has already been announced.

When a plan meets an obstacle

Prepare two versions of the cash flow and separate the necessary equipment from the desirable.

For each item, record the offer, the expected payment date and the link to the objective.

Working example · Business plan with and without support

Check whether the project can defer payment without incurring debt you cannot afford.

Specific next steps

1. Prepare two versions of the cash flow and separate the necessary equipment from the desirable.
2. For each item, record the offer, the expected payment date and the link to the objective.
3. Define a measurable project outcome independently of the application's success.

Limits of application

Check the rules and call status for the application year.
