Gathering comparable quotes for a cost estimate · How to check this using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check whether the offers are comparable in terms of equipment, assembly, licence and warranty.

Checking by example

Send the same technical specifications to suppliers and request a validity period.

Keep the amounts with and without tax, the date of the quote and the item specification.

Working example · Gathering comparable quotes for a cost estimate

Keep the amounts with and without tax, the date of the quote and the item specification. If the cost changes after approval, review the change procedure before placing the order.

Specific next steps

1. Send the same technical specifications to suppliers and request a validity period.
2. Keep the amounts with and without tax, the date of the quote and the item specification.
3. If the cost changes after approval, check the change procedure before placing the order.

Limits of application

Check the rules and call status for the application year.
