Open, announced and closed public calls · How to check this using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Distinguish between the question deadline, the application deadline and the cost eligibility period.

Checking by example

On the body's page, check whether the invitation is actually open and who it applies to.

Keep the call reference, the verification date, the documentation and any amendments.

Working example · Open, announced and closed public calls

Keep the call reference, the review date, the documentation and any amendments. If the call is temporarily closed, please refer to the official notice for the next date.

Specific next steps

1. On the body's page, check whether the invitation is actually open and who it applies to.
2. Keep the call reference, the verification date, the documentation and any amendments.
3. If the call is temporarily closed, please check the official notice for the next date.

Limits of application

Check the rules and call status for the application year.
