Cost-effectiveness of a business subscription with an annual contract · How to approach it?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Compare the actual annual usage with the amount and conditions of cancellation.

A starting point in practice

Save the offer, renewal date, price for additional users and export terms.

Check how much per month the feature you actually use costs.

Working example · Cost-effectiveness of a business subscription with an annual contract

Check how much per month the feature you actually use costs.

Specific next steps

1. Save the offer, renewal date, price for additional users and export terms.
2. Check how much per month the feature you actually use costs.
3. Set up a subscription review before the cancellation deadline.

Limits of application

Apply the guideline to your documents and working methods.
