Cost-effectiveness of a business subscription with an annual contract · How to check it with an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check how much per month the feature you actually use costs.

Checking by example

Compare the actual annual usage with the amount and conditions of cancellation.

Save the offer, renewal date, price for additional users and export terms.

Working example · Cost-effectiveness of a business subscription with an annual contract

Save the offer, renewal date, price for additional users and export terms. If data access closes upon expiry, try exporting in advance.

Specific next steps

1. Compare the actual annual usage with the amount and conditions of cancellation.
2. Save the offer, renewal date, price for additional users and export terms.
3. If data access closes when it expires, try exporting in advance.

Limits of application

Apply the guideline to your documents and working methods.
