Readable digital content on a phone and screen reader · What to note?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check the readability, text selection and description of the essential table.

Record and working document

Open the PDF on your phone and try navigating the headings without a mouse.

If the scanned image does not produce legible text, please send an available text version.

Working example · A digital offer that is readable on a phone and with a screen reader

Open the PDF on your phone and try navigating the headings without a mouse.

Specific next steps

1. Open the PDF on your phone and try navigating the headings without a mouse.
2. If the scanned image does not produce legible text, please send an available text version.
3. Edit the source file template so that accessibility does not depend on subsequent fixes.

Limits of application

Apply the guideline to your documents and working methods.
