Readable digital content on a phone and screen reader · How to access?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Add actual text headings, a clear order and alternatives for essential images.

A starting point in practice

Check the readability, text selection and description of the essential table.

Open the PDF on your phone and try navigating the headings without a mouse.

Working example · A digital offer that is readable on a phone and with a screen reader

Open the PDF on your phone and try navigating the headings without a mouse.

Specific next steps

1. Check the readability, text selection and description of the essential table.
2. Open the PDF on your phone and try navigating the headings without a mouse.
3. Edit the source file template so that accessibility does not depend on subsequent fixes.

Limits of application

Apply the guideline to your documents and working methods.
