Switching to another information intermediary · How to get started?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Arrange the handover date, the person responsible and verify both directions of the exchange.

A starting point in practice

Export documents, statuses and access logs before deactivating the old access.

Repeat the trial issuance and receipt with the control partner.

Working example · Switching to another information intermediary

Repeat the trial issuance and receipt with the control partner.

Specific next steps

1. Export documents, statuses and access logs before deactivating the old access.
2. Repeat the trial issuance and receipt with the control partner.
3. Keep separate access to the archive or to a verified export that can be opened.

Limits of application

For the covered obligors and the appropriate type of account.
