Monthly business reserve alongside regular employment · How to check this using an example?

For: Paušalni obrt · Obrtnici · j.d.o.o. · d.o.o.

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Check whether the business can cover two months of poor sales.

Checking by example

Estimate seasonal revenues, fixed costs and possible one-off liabilities.

Track your commitments by month separately from your personal account and planned spending.

Working example · Monthly business reserve with regular employment

Track your liabilities separately from your personal account and planned spending on a monthly basis. When you change insurance or leave your job, review your liabilities again.

Specific next steps

1. Estimate seasonal revenues, fixed costs and possible one-off liabilities.
2. Track your commitments by month separately from your personal account and planned spending.
3. When changing your insurance or leaving your employment, check your obligations again.

Limits of application

For cross-border transactions, including status checks and special rules.
