The difference between the official address and the entrance location · How to check this with an example?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Try the route from the navigation point to the entrance with someone who hasn't been inside the building.

Checking by example

In the advert, state the exact address, and in the directions separately describe the entrance, the floor and the access.

Record the arrival conditions that are important to guests, including pedestrian access and a landmark.

Working example · The difference between the official address and the point of entry

Record the arrival conditions that are important to guests, including pedestrian access and a landmark. If the map leads to another property, report the correction and send the correct location upon confirmation of the booking.

Specific next steps

1. In the advert, state the exact address, and in the directions separately describe the entrance, the floor and the access.

2. Record the arrival conditions that are important to guests, including pedestrian access and a landmark.

3. If the map leads to a different object, please report a correction and send the correct location once the booking is confirmed.

Limits of application

For household activities, by type of establishment, status and location.
