Digital instructions available even without logging into the app · What to record?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

In the instructions, indicate the date and the number for emergencies and faults.

Record and working document

Try reading on a slow network, away from your own account and with larger font size.

If the link requires a login, provide a public or offline version without sensitive data.

Working example · Digital instructions available even without logging into the app

Try reading on a slow network, away from your own account and with larger font size.

Specific next steps

1. Try reading on a slow network, away from your own account and with larger font size.
2. If the link requires a login, provide a public or offline version without sensitive data.
3. Place the QR code where the guest actually needs that instruction.

Limits of application

When personal data covered by the GDPR is processed.
