Risk of double booking on two platforms · How to check this using an example?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Test how the other channel responds to a new booking and to a cancellation.

Checking by example

Designate one authoritative calendar and document the synchronisation speed.

Keep a record of the time of receipt of each confirmation and any changes to availability.

Working example · Risk of double booking on two platforms

Keep a record of the time you receive each confirmation and any changes to availability. In the event of a conflict, prioritise prompt communication and document the resolution with the guest.

Specific next steps

1. Designate one authoritative calendar and document the synchronisation speed.
2. Keep a record of the time of receipt of each confirmation and any changes to availability.
3. In the event of a conflict, prioritise prompt communication and document the solution with the guest.

Limits of application

For household activities, by type of establishment, status and location.
