Entrance camera and filming boundaries · What to record?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Keep the relevant decision, the recording field, who has access and the deletion plan.

Record and working document

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

If there is any doubt about the permissibility, suspend installation until an expert has verified it.

Working example · Entrance camera and recording boundaries

Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.

Specific next steps

1. Check whether the camera is capturing the neighbouring area, unnecessary public spaces or the guest's private zone.
2. If there is any doubt about the permissibility, suspend installation until an expert has verified it.
3. If an approved camera is used, provide guests with accessible information before filming.

Limits of application

When personal data covered by the GDPR is processed.
