Capacity, auxiliary bearing and ad description · What to note?

For: Private accommodation host

Practical business guidance · Reviewed: 2026-11-22

Applicability: According to the profile and circumstances of the described case.

Record the capacity from the solution and the values from all sales channels side by side.

Record and working document

Test that the channels do not offer bookings for more people than you are permitted to accommodate.

For an additional bed, check whether the plan requires an amendment to the conditions or the design.

Working example · Capacity, auxiliary bearing and advertisement description

Test that the channels do not offer bookings for more people than you are permitted to accommodate.

Specific next steps

1. Test that the channels do not offer bookings for more people than you are permitted to accommodate.
2. For an additional bed, check whether the plan requires an amendment to the conditions or the design.
3. Prepare a unique description of the accommodation, including its size and availability, for all listings.

Limits of application

For household activities, by type of establishment, status and location.
